

care and a full market basket update for hospitals. Over 120 of my colleagues joined me in that effort.

I urge my colleagues to continue to back this provision in the final version of the bill and show support for our hospitals by its passage.

IN SUPPORT OF H.R. 253

(Mr. BLUMENAUER asked and was given permission to address the House for 1 minute.)

Mr. BLUMENAUER. Mr. Speaker, today on the suspension calendar H.R. 253, the Two Floods bill, is an opportunity to reauthorize and reform America's flood insurance program. It is a great opportunity to build on the legacy of the late Hale Boggs from Louisiana who helped create the program because he understood how important it was to a State like his.

The bill passed out of the Committee on Financial Services with a unanimous vote, broad support from bankers, realtors, environmentalists. With the help of the gentleman from Louisiana (Mr. BAKER), we assure that the special needs of flood-prone areas are met, that we help people move their homes out of harm's way, that there is more assistance for the States with the biggest problems, and it will reduce the premium pressure, saving money for 4½ million policyholders. Last, but by no means least, these reforms will ultimately mean significant savings in disaster relief costs for the Federal Government.

One percent of the property should not require 25 percent of the loss costs for the entire country. This Bill is a win-win for the economy, for people moved out of harm's way, and for the environment. I urge my colleagues to carefully consider it as it comes forward later today.

PRESIDENT BUSH'S TRIP TO GREAT BRITAIN

(Mr. MCDERMOTT asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. MCDERMOTT. Mr. Speaker, King George II's return to Great Britain reminds me of the return of Richard the Lionheart from the Crusades. The President is coming back to England. He says he is going to meet with the families of the bereaved from 9/11. Apparently, he does not know that 400 people have died in the United States in their service in Iraq. He has never seen fit to meet with them.

In less than 1 year, we have lost more people in Iraq than we lost in 3 years in the Vietnam War. But the President has a secret plan he is now revealing. His secret plan is that he is going to declare victory and have the troops out by June 1.

Mr. Speaker, this President is leading us over the cliff with no respect for the people that he has put in harm's way. He ought to come up to Walter

Reed and visit the wounded and then go out and visit some of the families that have lost people in Iraq. To do less than that is to ignore the sacrifice they have made.

MEDICARE: INDIGENT CARE

(Mr. PEARCE asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. PEARCE. Mr. Speaker, I rise this morning to encourage my colleagues to support H.R. 1.

One of the important provisions in this bill is reimbursement for States and counties that are required to treat illegal immigrants through the Emergency Medical Treatment and Labor Act. This unfunded mandate is breaking the hospitals in my district.

As a border State, we constantly incur costs on our counties that are mandated by the Federal Government but never reimbursed. By Federal law, hospitals must treat any person, regardless of citizenship, in need of medical attention. If the person is a United States citizen, Medicare or Medicaid pays for the treatment, but there is no reimbursement for illegal immigrants. Border hospitals are caving under these costs of providing care daily for illegal immigrants who have no insurance and no ability to pay.

For example, Luna County in my district is often expected to pay for Mexican citizens to be picked up at the border, taken to a hospital and treated, and then returned to the border. Taxpayers are footing the bill for indigent care. This provision ensures that counties and States will receive the money in return for the services the Federal Government requires them to provide.

MEDICARE PRESCRIPTION DRUG BENEFIT

(Ms. JACKSON-LEE of Texas asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Ms. JACKSON-LEE of Texas. Mr. Speaker, over the next couple of days, in a very rushed and possibly confused effort, this body will bring to the floor a Medicare bill. When we talk to our seniors across the Nation, they believe that this is in response to their desire to have a real, guaranteed Medicare prescription drug benefit. But, Mr. Speaker, what has happened was a closed-door conference with no participation of Democrats, and I want to be convinced that we have something that will help all of our seniors. We have got privatization of Medicare, vouchers for Medicare, big money for pharmaceutical companies, and no guaranteed prescription drug benefit.

President Johnson went out on a limb in 1965 with hardly any Republican support and gave a lifespan to our seniors that they could never imagine. Shame on this body. Shame on the other body if they take this oppor-

tunity to destroy Medicare as we know it and as it can be a better entity for all. Let us get to work as a bipartisan House, two Chambers, producing something that really means a vital lifeline to our seniors.

H.R. 1 CONFERENCE REPORT AND THE AARP

(Ms. WOOLSEY asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Ms. WOOLSEY. Mr. Speaker, I rise to express my profound disappointment with the squandered opportunity we have right now, an opportunity to provide our seniors with the prescription drug coverage they need and they deserve.

But I am just as concerned about the decision made by AARP, the American Association of Retired People, to endorse these misguided policies. I have long been proud of my membership in AARP, but now they have sold out seniors. Now I understand why AARP no longer stands for American Association of Retired People. Perhaps they would like to be known as the American Association of the Republican Party. They no longer represent retirees. They are more concerned about the interests of large drug companies.

I want no part of an organization that is willing to sacrifice its principles for short-term political gain or favors from the majority party, and neither do more than 65 of my colleagues. Today we will surrender our AARP membership, and I urge all of my colleagues who truly care about the needs of seniors to do the same.
